I AM COMPLETELY OBNOIVOUS TO THE DIFFERENCES OF NOBILITY...

IN ORDER TO USE THIS TO THEIR ADVANTAGE, THE LEADERS FROM THAT TIME DECIDED TO BECOME AN ARMY-GENERAL.

THEIR GOAL IS OUTSIDE OF THE COUNTRY'S LAND.

BUT BECAUSE THEIR FAMILY IS BIG.

THE VERNACULAR TO FAMILY IS ONE OF THE FOLK AND PURE FAMILIES.

THEY ARE THE LEADERS OF THE FOLK AND PURE FAMILIES.

THEY ARE THE LEADERS OF THE FOLK AND PURE FAMILIES.

THEY ARE THE LEADERS OF THE FOLK AND PURE FAMILIES.

SO, THEY HAVE NEARLY NO HEADQUARTERS WITHIN THE COUNTRY.

I see

scream

YOUR APPEAL BUT I DON'T UNDERSTAND WHY YOU SUDDENLY WROTE A LETTER DECIDING ME TO COME...

What exactly is going on?

Don't scream in my face, okay?

Don't scream in my face, okay?

I was born with my mouth to saying 'no'!

ONE TO CERTAIN OCCASIONS, WE'RE VERY NEW TO THE INNER WORKINGS OF THE KINGDOM.

Don't lying!

...Don't lying!

WELL IS NOT LIE AT ALL.

HE GRADUATED FROM MILITARY SCHOOL AT THE TOP OF HIS CLASS.

YOUR APPEALING, YOU'VE CHOSEN THE WRONG PERSON.

EVEN IF THEY ARE PROBABLY THAT TYPE OF SELF-BOY, YOU DON'T HAVE WHAT IT TAKES TO STAY BY SOMEONE'S SIDE!

IF I DIED,
YOU WOULD
BE THE ONE
TO PROTECT
AND SUPPORT
ROBERT.

DON'T
YOU WILL REMEMBER
THE PROMISE
WE MADE
EACH OTHER?

YOUNG
LORD?

THEN WHY
DID YOUR
HIGHNESS
DECIDE TO
CALL ME
HERE?

IF I
WAS DEAD,
I WOULD
NEVER
FORGET
YOU.

THAT'S
CRUEL!

NOT
YOUR
DEATH
WAS
CRUEL...

YOUR
HIGHNESS
FORGIVE
ME,
I'M
SORRY.

I'm
making a
correc-
tion!

I WANT
YOU TO PROMISE
ME THAT AFTER
I DIE, YOU WILL
BECOME ROBERT

What's

It couldn't
be... His
Highness is
bored crazy so
he called here
first!

What
are you
saying?

What's
wrong?

Does that
mean that
there is not
room of
nobility?

That
is the
problem.

We
cannot find
a family
with that
nobility
name.

What?

What's
wrong?

We
cannot find
a family
with that
nobility
name.

I am
very
sorry.

If that's so,
of course he
wouldn't know
a thing about
the nobility.

So he's spent
most of his life
with the con-
structors and
shared a life
with only his
mother?

Captain
Shannon is
usually busy
with the
military
and for
long periods of
time he can't
return home.

...So
that's
it.

How to help Robert to work for a while.

ANY-
WAY,

character introduction from the third volume.
 They say there are only three people.

THIRD VOLUME CHARACTER APPEARANCES

Frederick Elga. Member of the Empire's Security Brigade, 22 years old. He's a bit of an impulsive character, and he holds his captain in great regard. He's one of the rare males that aren't captivated by Robert (Before having been struck in the heart, he had already seen him with fear.) The first chapter's emphasis was put on Frau Crostfeldt and neglected this young man, very sorry. His most attractive feature is his hair, although you can't tell from the drawing to the right.

Frau Gertrude Meiden. Frau Crostfeldt's very good friend, and one of Ende's many lovers. She's married with one daughter. I myself really like this character; drawing this type of sexy woman is very entertaining. She and her daughter Selma, both seem to really like Ende, but it's far from the lady-gal romance feeling. The line we've revealed Frau Crostfeldt's complete name, but these two gentlewoman counterparts are yet to be seen.

Duke Claude Edelstein. Worshipping Female. The only female of the four big duke families is the same age as his Highness, his childhood friend. She likes Duke Philip and therefore hates Robert specially. Unfortunately even now her heart is beating hard from Ende. You can say she's the book's most beautiful lady.

Palover Zelma is a female spy; she will take Claude's orders and check around for information. From the very beginning she is established as a forger.

Also, the redesigned "Hell's Express" window was treated with color and looks more modern.
That should complete the volume.

「 Hell's Express 」

Drawing these
two people now,
they have this
type of feeling.

Oh, this is an old work of mine,
but I drew it after I finished
the first chapter of *Tokuu*
Kyoudo. It's a manuscript from
two, three months ago, and I
still feel like there's something
odd about it. When I saw it,
there was a sudden fire in my
heart — let's just burn it all!
When I sent in the original
draft I was laughed at be-
cause there was this whole
bunch of *kang*. Before, I had
always used *huguna*, never
kang!

These two, after
some type of
agreement, are
about to start.

These are the female characters in the three chapters. The numbers above them are their height. Every one of them is very tall (and's that a monster). Claude looks like the bodyguard of the two women in the front, and Zelma is like their secretary? Is it because they're wearing suits? Out of these people, the most headstrong is Frau Meiden, the wildest Frau Grubfeld, the most innocent Claude, and the strongest in physical power is Zelma.

after
after

Robert and Erik before they graduated. The period is not too
later where they have a distant relationship. But they will still
reunite each other (maybe), so when they join each other in the
future, they'll both look back at each other.

Finally we look at His most carefree Highness.

Finally I would like to thank all the readers for their letters, gifts, cards, and all the support. I will definitely reply, so I ask that everyone have patience with me. Don't write the address wrong! I would also like to thank all the readers that sent me Valentine's chocolates this year, and also the person who sent me the tea set, thank you very much. I love drinking tea with rice!

I hope to see you guys in the fourth volume! ♡
